PRODUCTIVITY**

## CHANGE OF MANAGEMENT BOARD

In accordance with the Resolution of CICT's MC, effective from May 15, 2021:

- Mr. Frank Van Rompaey is appointed as CICT's General Director and Legal Representative.
- Mr. Nguyen Ba Son is appointed as CICT's Deputy General Director.

## NEW TYPES OF EQUIPMENT

To constantly improve service quality to meet customers' demands, CICT has researched, invested, and manufactured new equipment: Conveyors to pour cargo into containers. CICT puts this equipment into operation to serve the bulk cargo operation.

## CONVEYOR TO POUR CARGO INTO CONTAINER

## POWER STATION FOR WOODCHIP CONVEYOR

The system of a transformer station and low voltage cabinet, including 01 Incoming Circuit Breaker 1250A and 03 Circuit Breaker 300 A.

# COVID-19 PREVENTION

## RE-ESTABLISH 6 TEMPERATURE-CHECKPOINTS AT CICT

Due to the complicated developments of the Covid 19 epidemic, CICT quickly re-established 6 temperature-checkpoints to beef up coronavirus spread containment. All entrants must have their body temperature checked before entering the Port.

**AT CICT, SAFETY IS A CHOICE WE MAKE!  
JOIN US AGAINST COVID 19!!!**

MR. Hoang Duc Vinh - Head of Safety Department - a frontline in the fight against Covid 19 at CICT, shared:

"During the implementation of disease prevention and control, Safety staffs face many difficulties: high risk of infection, lack of workforce, lack of protective equipment, problems in handling situations lacked cooperation, etc. However, with the high working spirit and efforts, the safety department, in collaboration with other departments, overcame most of the difficulties with many measures, which help to keep CICT being a safe destination during the pandemic."
